

# **It's your chance to advance**

The Chance 2 Advance programme, which will commence on 31 January 2011, is designed to encourage a culture of learning. The programme contains 51 workshops, which cover a wide range of interests.

Don't miss this opportunity to learn new and exciting skills for the whole family.

As a Unisa staff member, you may request training funds for your workshop(s) of choice, provided that you can motivate why your selected workshop will benefit your work/studies.

Registration ends on 20 January 2011, so book now to avoid disappointment.
