Introduction:

***Welcome to this month's Research Funding Bulletin for CEMS:***

OGSR believes that funding is the central vein that drives productivity, influence the volume of workload and research activities. Hence the recent request for the university's subscription to Research Professional Database, in which criteria can be set for more discipline/ subject specific funding, from all over the world.

Research Africa Professional Database offers UNISA and its scholars the following:

- The latest research funding.
- Student exchange opportunities.

Many of the funding calls will require data management, equality, and impact statements. Our team of NRF rated experts are ready to guide you through the process prior to submission.

Support to access Research Funding Database is available through the office of

- Ms Pumeza Saliwe [saliwp@unisa.ac.za](mailto:saliwp@unisa.ac.za)
- Telephone number: 012 429 4076

Looking forward to your applications!
