Dialogue: Writing Back Against Empire with
Professor Devin Atallah

Date: Wednesday, 15 May 2024

Time: 11h00 – 12h30

Link: [Click here](#) to join

Professor Devin George Atallah is a Palestinian from the shataat/diaspora currently living and working in Boston on the lands of the Wampanoag, Massachusett, Nipmuc, and other Indigenous peoples of the Northeast of Turtle Island (in the nation-state of USA). Atallah is an assistant professor of psychology at the University of Massachusetts Boston. He is a researcher, scholar, activist, and healer dedicated to transnational decolonial movements, and Palestinian liberation. Atallah's work focuses on decolonial psychology and builds off his extensive community and clinical psychology experience.
