2024 International Teaching and Learning Conference

Theme:

Charting New Frontiers and New Perspectives: Advancing Teaching, Learning and Student Support in Open Distance and eLearning (ODeL)

We invite educators, researchers, practitioners, managers, administrators and students from around the globe to contribute to and participate in the International Teaching and Learning Conference hosted by the University of South Africa. This is your opportunity to network, share your insights, research findings, and innovative practices in the field of Open Distance and eLearning (ODeL).

The theme of the conference is "Charting New Frontiers and New Perspectives: Advancing Teaching, Learning and Student Support in Open Distance and eLearning (ODeL)". This theme reflects the dynamic nature of ODeL in the Global South, especially in the African context.

Join Us in Shaping the Future of ODeL. We look forward to your valuable contributions to the International Teaching and Learning Conference. The conference will be hosted through a hybrid mode, both physical and virtyal.
