MAY 2024 : Undergraduate Workshops

Brief Description - Academic Literacies services are divided into Reading and Writing and Quantitative Literacy. The Reading and Writing component assists students in sharpening their skills as first language and additional language speakers of English with generic and discipline-specific writing. Quantitative Literacy assists students with numeracy skills.

Target students for the below listed sessions are - ENG2611 & ENG2612

Please attend the workshops as scheduled via MS Teams links provided.
