

ADVANCED SHORT COURSE IN GLOBAL BUSINESS INTRA-AFRICA AND BRICS TRADE AND INVESTMENT

2024 INTAKE

ABOUT THE PROGRAMME

Despite the apparent opportunities for global business, South African business people are generally ignorant of or wary about the opportunities for investing in BRICS countries or in Africa. Participants in the Advanced Short Course in Global Business Intra-Africa And BRICS Trade and Investment will get an overall view of the increasingly complex challenges of global business. They will be equipped with the tools and knowledge to assess investment opportunities in specific BRICS and African countries or regions.

WHO SHOULD ATTEND?

Managers and entrepreneurs with an interest in global trade and investment, with a specific focus on the BRICS formation and Africa.

WHAT ARE THE BENEFITS?

This offering of the short course will be presented online, in collaboration with the International Institute of Business Networking (IIBN), one of the leading business schools in St Petersburg, Russia. Participants will be able to learn from the insights, perspectives and experience of both SBL and IIBN faculty and senior executives currently working in multinational companies. Managers or entrepreneurs completing this course should be able to assess the attractiveness of trade and/ or investment opportunities in specific BRICS and African countries or regions from the perspective of South African businesses in general, and their own organisations or ventures in particular. Participants in the programme will be able to develop their relationships with their counterparts in the relevant countries or regions.

ON COMPLETION

On successful completion of the programme, students will receive the Advanced Short Course in Fundamentals for Strategic Oversight in Information Technology for Board Members Certificate from the Unisa Graduate School of Business Leadership (SBL), an internationally respected educational institution.
