

MANAGEMENT DEVELOPMENT PROGRAMME: SAFETY AND SECURITY

2024 INTAKE

ABOUT THE PROGRAMME

Safety and security is one of the fastest-growing sectors of the economy as organisations strive to manage their risk, and middle managers are at the heart of it. This programme aims to equip middle managers in the safety and security industry with the skills and knowledge to lead administrative units, craft strategy, motivate staff and allocate financial resources. The Management Development Programme: Safety & Security (MDPSS) also considers the bigger picture, specifically the role middle management plays in realising the vision of senior leadership and mobilising support for broader organisational goals.

WHO SHOULD ATTEND?

To be eligible for admission to the programme, participants must hold a Senior Certificate (Matric) or equivalent NQF 4 qualification, plus three years' management experience; or the FMP or equivalent. Alternatively a portfolio of prior learning will be considered.

WHAT ARE THE BENEFITS?
